DIESEL
CLASS A DIESEL

**SEE THE COUNTRY WITHOUT
EVER LEAVING HOME.**

2008 Bounder Diesel

FLEETWOOD

WATCH OUT, YOUR HOUSE MIGHT GET JEALOUS.

"This is nicer than my house." We hear that a lot. Nothing against your place, but let's face it, Bounder Diesel has it all: a choice of spacious floor plans with triple, quad and full wall slide-outs, an impressive galley, comfy furnishings, and lots of storage. Finishing touches like detailed molding and contemporary light fixtures make it feel like home. Of course, Bounder Diesel also has a powerful, smooth-riding Cummins® 325HP diesel engine to take you wherever you want to go. Let's see your house do that!

Quality

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

BOUNDER DIESEL

Why Buy Bounder Diesel?

Bounder Diesel 38V shown in Quartz with Plantation Cherry wood cabinetry.

The Driver's Seat, with its Flexsteel® frame and easy-to-care-for Ultraleather™ upholstery, is arguably the best seat in the house. It's so comfortable, you may find yourself taking the long way more often.

The Front Entertainment Center (select models) is a real treat for the senses. It includes a Samsung® 26" LCD HDTV, a 5.1 Dolby home theater system with surround sound, plus a DVD/CD player and AM/FM radio.

Attractive Inside and Out

Pride of ownership comes easy when you've got a coach that looks as good as Bounder Diesel.

Room to Roam

Our well-designed floor plans make use of tall 7-foot ceilings and numerous slide-outs to create an open, roomy feeling inside.

Outfitted with Name Brands

From the galley to the bedroom, you'll find the top names in appliances, electronics and furnishings.

Built-in Quality

All the components in Bounder Diesel are first rate, from carpeting to cabinetry, sofas to light fixtures.

Superior Ride and Handling

Expert engineering, Fleetwood's patented Power Platform®, and a powerful diesel engine combine for a smooth-as-silk ride.

NAME-DROPPING AT ITS BEST.

Bounder Diesel is fully equipped with names you know and trust — brands like Samsung®, GE® and Norcold®. But it's not just about the names, it's about the quality and reliability they stand for — something Fleetwood knows about after more than 55 years of building the finest coaches on the road. And while you're admiring all those top-of-the-line appliances, don't forget to notice how they're arranged. Everything is easy to get to, with lots of elbow room.

Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

BOUNDER DIESEL

The Dinette seats up to four adults comfortably in front of a big picture window. Talk about a room with a view! The handy storage area underneath is a great place for pet food or other bulky items. At night, the dinette transforms into a comfy bed for an overnight guest.

The Refrigerator with Pantry can almost be considered an entertainment center in itself. After all, the 12 cu. foot, 4-door Norcold® fridge is large enough to hold large party trays or pizza boxes and even includes an icemaker. But what about the chips? Put'em in the pantry's pull-out baskets until it's party time!

The Galley Storage lets you pack enough food and supplies for long trips so you don't have to visit those expensive little markets! The deep, adjustable shelves have a retaining lip to keep things in place.

The Solid Surface Countertops are nonporous, scratch and stain resistant, and easy to clean. Matching sink covers add to the already expansive counter space.

The Galley has it all – from a quick-cooking convection microwave to ultra-convenient under-sink storage. Of course, it's beautiful too, with gleaming brushed nickel handles gracing the warm wood cabinetry.

The Under Counter TV with DVD Player (optional) keeps you entertained while you cook. The 10" LCD TV monitor flips down and swivels for a better view. It even has a CD player and AM/FM radio.

The Full-Extension Drawers can accommodate your full-size cookware. After all, who wants to eat mini meals?

The Washer/Dryer Combo (optional) stays hidden until you're ready to wash a load from your pull-out hamper (available on select models).

The Remote Generator Switch and Air Mattress Remote are conveniently located right next to the bed. The remote generator switch allows you to turn the generator on or off without leaving your cozy bed. And the air mattress remote lets you adjust the firmness on each side of the bed independently.

The Mirrored Wardrobe features full-sized racks and organizers, convenient lighting, and cedar lining to keep clothes fresh and moth-free.

QUALITY YOU CAN SEE. COMFORT YOU CAN FEEL.

When we call Bounder Diesel your “home away from home,” we aren’t kidding – just take a look around. From cedar-lined cabinets to Flexsteel® furniture to noise-reducing padded ceilings to plush carpeting, it’s all about quality and comfort in here. You don’t often see attention to detail like this anymore. Unless you’re looking at a Bounder Diesel, that is.

Passion

We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

BOUNDER DIESEL

The Bedroom Suite is as spacious as the queen-size bed's Restonic® innerspring mattress is comfy thanks to the new 30" bedroom slide (most models) that creates a lot of extra space.

The Lounge Area (select models) is both relaxing and practical. It features a Samsung® 19" LCD HDTV, viewable from the bed and the cozy chair. Below you'll find a handy dresser with drawers galore.

The Large Bathroom Sink offers ready access to drinkable water, which is available from any faucet in the coach thanks to our whole-coach water filtration system. The counter provides space for toiletries and make-up, and you can store them in the extra-large cabinet – it's probably as big as yours at home.

BAHAMA BLUES
SCHEME 1*

WE'VE GOT YOU COVERED.

Bounder Diesel boasts full-body paint – a feature usually found on more expensive coaches. We carefully apply DuPont® paint in a two-step process onto the ultra-smooth fiberglass walls. The result is an impressive mirror-finish with maximum durability.

BOUNDER DIESEL

THE BEST-DRESSED COACH IN CAMP.

When you have friends over, you'll enjoy showing them your beautiful Bounder Diesel. With a variety of eye-pleasing fabric and wood finish combinations, you can choose the one that suits you best. Just be prepared for lots of oohs and aahs from friends.

NOT JUST A MOTOR HOME. A WAY OF LIFE.

We understand that you'll be spending lots of time in Bounder Diesel. So you want the best features inside and out. Here are some of the best exterior features we've included.

- ① **One-Piece Windshield** is a new feature this year, providing a panoramic, wide-open view without a center divider.
- ② **Stylish Heated Mirrors** look cool, but stay warm to prevent dew or frost build-up.
- ③ **Awnings** for the patio and entry door help keep the sun's rays out and provide shade outside. (Electronic awnings optional.)
- ④ **Diamond Shield** (optional) protects your paint finish on the lower front cap from paint chips and damage caused by road debris, bug acids and weathering. This clear, 8 mil. urethane film will preserve the beauty of your Bounder Diesel for years to come.
- ⑤ **The Remote Keyless Entry** locks and unlocks the entry door with the simple push of a button.

Vehicle shown in River Rock Scheme 1 exterior graphics.

- ① **Side-Swing Luggage Compartment Doors** on select compartments are new for 2008. They open to the side, instead of up, making it easier to access your gear.
- ② **High-Mounted Taillights** are easy to see, even when you're towing another vehicle. Tailgaters be gone!
- ③ **Dual Air Conditioning Units** are mounted on top to improve cooling, and create more room for storage below.
- ④ **4-Point Electronic Leveling System** levels your coach automatically with the push of a button.
- ⑤ **The Turning Radius** makes your coach easier to maneuver in tight spaces (like campground parking lots), thanks to a 55-degree wheel cut.

Vehicle shown in River Rock Scheme 1 exterior graphics.

Interlocking Ceiling-To-Sidewall Construction helps keep the box square. This assures a proper cabinet fit.

Interlocking Floor-To-Sidewall Construction locks tightly to keep out water, dust and noise, and helps eliminate squeaks and rattles.

Vacu-Bond® Sidewall Construction creates a strong, weather-resistant structure. All sidewalls, floors and ceilings are Vacu-bonded to a durable metal frame, far superior to the pinch roll method our competitors often use.

BOUNDER DIESEL

WE KEEP YOU SAFE AT HOME – WHEREVER THAT MAY BE TODAY.

Our engineers have included dozens of features to keep you safe, from blind-spot cameras (optional) to make lane changes easier, to a safety inspection checklist on your information center monitor. So wherever you go in your Bounder Diesel, Fleetwood's legendary quality and safety are always along for the ride.

Safety

You've got precious cargo. So we've engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

The Cockpit features easy-to-read gauges and easy-to-reach controls. The time flies by with the AM/FM/CD stereo and it's Sirius Satellite Radio® ready. Add optional power sun visors to keep the glare away.

GET REAL. MOVE UP TO A REAL DIESEL PUSHER.

Bounder Diesel's power comes from a Cummins® 325HP ISB 6.7L diesel engine, dishing out 760 lbs. of torque. But Bounder Diesel's patented Power Platform® is its real source of strength.

Drawings are for illustrative purposes only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

The Rear Vision Camera helps you back up with a live, variable-angle video feed to the driver's area and one-way audio so you can hear directions from the back of the coach.

The EZ Storage Compartment has gas-lift struts to keep the luggage doors open for hands-free access and a light so you can see what you're doing. It holds just about anything, so don't hold back.

Pass-Through Storage is new for 2008! Now, you can easily stow those extra-long items, like ladders, and access them from either side of the coach.

BOUNDER DIESEL FLOOR PLANS

34H

Interior Storage Capacity: 156 cu. ft.
Exterior Storage Capacity: 115 cu. ft.

- Shorter diesel floor plan with triple slide-outs

Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = (7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity.*
- GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
- Length measured from front bumper to rear bumper (excludes accessories).
- Excludes safety equipment and awnings.
- Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
- Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

CHASSIS

Model: Freightliner® XC-Series
Engine: Cummins® ISBXT 6.7L
Torque: 750 lb-ft @ 2400 RPM
Alternator: 170 Amp Leece Neville®
Transmission: Allison® 3000MH 6-Speed w/Electronic Shifter
Horsepower: 325HP

Warranty

Exclusive RV ownercare warranty.
See your Fleetwood dealer for details.

- The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = Not available at time of printing.

*UVW and CCC are found on the cargo carrying capacity label in each RV.

IMPORTANT— PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

RV OWNERCARE*

Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industrys most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.
