

Feel exhilaration that spans an entire continent.

Take the road less traveled, the road most traveled, or any road in between.

You've got an entire continent waiting for you. Places you've grown to love. Places you've yearned to see. Thousands of miles of road crisscross and connect it all, and Granite Ridge™ Motorhomes by Jayco® take you over all of it in relaxed and luxurious comfort. With the upscale amenities of a Class A and the nimbleness of a Class C, whatever destinations you choose will lead you over roads most remembered.

For more information go to www.jayco.com.

With 420 ft.-lbs. of torque, you'll cruise with ease over the roads, hills and mountains of the entire continent. And with Filon® sidewalls and two optional premium paint & graphics packages, you'll look great doing it (shown with standard graphics package).

GRANITE RIDGE™ 2005 Class C Motorhome

Granite Ridge 3100 SS interior
Rum Raisin with
North Ridge Maple cabinetry

There's no such thing as roughing it in the well-equipped bathroom, complete with glass shower door, skylight and residential-style 6-panel passage doors.

The private rear bedroom feels like home with a queen bed, pillow top mattress, day/night shades, large wardrobes (select models) and a rear window to see the sun rise.

A cross-country sightseeing trip can open a world of possibilities.

The deserts of Big Bend National Park. The wild landscapes of the Apostle Islands. Mount Rushmore. Devils Tower. When your eyes capture wondrous sights like these, you realize how many more you want to see. Greyhawk™ Motorhomes by Jayco® give you the freedom to make the journey and meet your family's needs along the way. A wide variety of sizes, floor plans and sleeping arrangements let you go wherever ... and however ... inspiration takes you.

Stop hunting for switches. The inside Command Center® puts controls for the slideout, water heater, generator and water pump in one convenient place.

Smooth Filon® sidewalls, entrance and baggage doors stand tough against the weather. So does the Carrier AirV™ High Capacity air conditioner, built from high-strength, light-weight polymer that resists rust. The unit also recycles condensate water to reduce runoff, keeping the exterior dry and clean.

Greyhawk™ 2005 Class C Motorhome

Greyhawk 29 GS interior
Maritime Maroon with
North Ridge Maple cabinetry

Everything in the Greyhawk™ bathroom makes your stay more enjoyable, such as a wood medicine cabinet with mirror, linoleum floor and skylight (select models).

Recharge for tomorrow's journeys in the queen bed with pillow top mattress (select models). The recessed TV shelf lets you relax with your favorite shows. Or enjoy your favorite book beneath the convenient reading lights.

Sometimes extra touches make
good times extra special.

The optional back-up
camera and monitor
make maneuvering
your motorhome
safer and easier.

Choose the optional
overcab front
entertainment center
with 24" flat-screen
TV for a great
movie-viewing
experience. Optional
North Ridge Maple
cabinetry adds a
touch of elegance.

The bedroom over
the cab gives you
extra sleeping space
for two adults.

The 5,000-lb. hitch
lets you tow most
vehicles such as
SUVs without
sacrificing power.

GRANITE RIDGE™ and Greyhawk™

The ergonomic, automotive-style instrument panel with large controls is easy to use. Cruise control and power door locks and windows add extra convenience. Dual second-generation air bags and safety belt pretensioners provide heightened safety. Factory air conditioning, tilt steering, height-adjustable safety belts and fully front/back adjustable recliner seats create comfort tailored to you.

1. Pass-through basement storage lets you bring plenty of gear, including longer items, without taking up interior space.

2. The exclusive outside utility center consolidates connections and controls within easy reach. Our “no-mess” valve system on basement models makes dumping your holding tanks cleaner and easier. The drain hose is positioned out of the way so it won't interfere.

An ocean to the east. An ocean to the west. And a lifetime to explore everything in between.

You've always dreamed of setting off down the highway in your own motorhome to survey all the destinations you've heard so much about — from the windswept cliffs of Nova Scotia's Cape Breton Highlands National Park to the sun and sand of San Diego's Coronado Beach. Escapade™ Motorhomes by Jayco® take your family down those highways smoothly and easily ... and affordably. Our value-priced motorhome combines spacious interiors with easy maneuverability. So the only thing you'll have to worry about is which site to see first.

The roof ladder, spare tire, carrier and cover come in handy and come standard.

In the bedroom, the queen bed with deluxe mattress (select models) lifts easily on struts for finished storage below. Gain even more storage for all your clothes in the large wardrobes and overhead cabinets.

escapade® 2005 Class C Motorhome

The bathroom provides everything you're accustomed to at home, including a wood medicine cabinet with mirror, skylight (select models) and residential-style six-panel doors.

1. Jayco Class C motorhomes give you all the convenient, safe and comfortable features built into the cab of Ford's heaviest-duty motorhome chassis — the E-450 Super Duty.
2. Whether you like country or classical, rock or rhythm and blues, the in-dash AM/FM/CD stereo lets you take your music wherever you go.
3. The 4,000-watt Onan® MicroQuiet™ generator provides plenty of power when you don't have access to hookups.
4. Find ample room for all your gear in the lockable radius exterior storage compartments.
5. The tough, powder-coated steel rear bumper resists corrosion.
6. Deluxe side-view mirrors provide great views of the road and fiberglass running boards make getting in and out easier.

It is important that you review weights and ratings before you purchase a new motorhome.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the weight of this motorhome as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the UVW plus all cargo, passengers, personal items, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal belongings, food, fresh water, LP gas, tools, other cargo and dealer-installed accessories that can be carried by the motorhome. CCC is equal to or less than GVWR minus UVW.

Jayco® affixes a weight label to each new RV which lists weight information for that vehicle.

Enjoy Jayco's exclusive Customer First Roadside Assistance

You can travel worry-free in your Jayco® motorhome and concentrate on having fun, thanks to Jayco's new Customer First roadside assistance program. This service, free during your first year of ownership, provides complete roadside assistance, emergency road service and special support benefits that follow you wherever your travels take you. This program is offered through Coach-Net, the largest RV emergency road service in the country. With a simple phone call, you get *prompt* access to dependable service when and where you need it, including:

- **Emergency Roadside Assistance.** Gain covered benefits with no out-of-pocket expense throughout the U.S. and Canada (includes one additional family car).

- **24-hour Toll-Free Emergency Message Service.** Stay in touch with family and friends anywhere in the country in case of an emergency.
- **\$2,000 Trip Interruption Reimbursement.** If you're in an accident, get reimbursement for your car rental, meals, lodging ... even a plane ticket home.
- **Toll-Free Nationwide Service Appointment Assistance.** Simply call us to set up an appointment where and when you want it and we'll take care of the rest.
- **Free Custom Trip Routing and Full Color Map Service.** Receive easy-to-follow maps, travel tips, places to see and much more.
- **Service Assistance.** Get simple directions to the closest of more than 6,800 qualified agencies throughout North America.
- **Free Dispatch of On-Site Mechanical Service in the Event of a Breakdown**
- **Free Jump Starts**
- **Free Tire Changes**
- **Free Fuel Delivery**
- **Free Lockout Service**

We back what we build

The Jayco 2+3 **Warranty** is a manufacturer's limited warranty. It doesn't come from your dealer and it's not an extended warranty! It comes from the people who build Jayco recreational vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months from

the date of purchase against defects in materials and workmanship. The Jayco warranty includes a limited three-year (3) structural guarantee. In addition, our limited warranty may be transferred one time within the first two (2) years. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business! For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our Web site.

Ford chassis is backed by a three-year (3) or 36,000-mile warranty with a six-year, 100,000-mile warranty against corrosion.

See dealer for further information and prices.

Please Note: All information in this brochure is the latest available at the time of publication approval. Jayco reserves the right to make changes and to discontinue models without notice or obligation.

Pictures in this brochure may show optional equipment. RVs built for sale in Canada may differ to conform to Canadian codes.
