

WHEN YOU KNOW THE DIFFERENCE™

Essex

2008 ESSEX

YOU'VE *Arrived*

You've made it to your exclusive, luxurious destination—the new 2008 Essex, a coach with an undeniable allure. From its gorgeous fabrics to its heart-pounding performance, Essex makes you want to settle in for an extended stay.

AN *Island* ALL ITS OWN

The views are spectacular, no matter where you're standing in the 2008 Essex. Observe the posh fabrics, polished porcelain floor and sculptured ceiling, and you'll see—Essex is a hideaway that boasts charm and elegance.

Do you bask in the nightlife? Or do you adore quiet evenings? No matter how you pass the time, Essex entertains. The interior space, with its plush Villa™ furniture and the Sony® LCD TV, creates an ideal atmosphere for hosting gatherings or taking in a good movie.

4510 floorplan with Sterling Silver Décor and Natural Cherry Hardwood Cabinetry

HIGH-PROFILE *Appearances*

Breathtaking even when standing still, Essex's sweeping lines hold your eyes captive. There's curb appeal to this coach, thanks to the Full-Paint Masterpiece™ Finish with Super Clear Coat Finish and Diamond Shield protective film. Its striking front cap is complete with a one-piece windshield and chrome convex mirrors with remote control, defrost, turn signal indicators and sideview cameras.

Essex offers the VIP treatment. Just open the entrance door and a set of double steps emerges to escort you inside. Or enjoy Essex's exterior scenery a little longer, with its optional exterior entertainment system for your viewing pleasure.

ALL-INCLUSIVE *Amenities*

There's no need to travel the world over for haute cuisine. Essex's spacious kitchen puts chef-quality provisions at your fingertips, including a 30" convection microwave oven with two-burner recessed cooktop and refrigerator with auto defrost, icemaker and water dispenser. Even the simplest meals will feel artfully crafted.

Adding notes of richness, your exquisitely handcrafted hardwood cabinets are spacious and functional, with dovetail drawer construction, gorgeous detailing and brushed silver handles.

Rolling SURE

Essex's intense force is as mighty as the ocean. Built on a brawny Spartan® K2 chassis, its 500-hp Cummins® engine triumphs over the asphalt. The driver's command center comes equipped with an AM/FM/XM radio with rearview color camera, a tire pressure monitor system and TripTek™ electronic travel information.

This powerful driving machine offers a luxurious, stress-free ride. Exclusive Comfort Drive™ Steering makes turning, backing up and changing lanes nearly effortless. And unlike other coaches, there's little correction involved. This cutting-edge technology brings the steering wheel intuitively back to the center and helps you maintain a smooth course. In fact, driving Essex is so enjoyable, you'll both want your turn behind the wheel.

Blissful ACCOMODATIONS

You'll find Essex's master bedroom as relaxing as a private villa. The space becomes your personal retreat by closing the decorative pocket door. Turn on the Bose Wave® radio with a CD player or the Sony 32" LCD TV and feel your thoughts rise and fall with the soothing sounds.

Lounge a little on your king-size bed with its King Koil™ turn-free mattress. The luxurious bedspread with matching bed skirt, accent pillows and faux fur throw make it an ideal place to drift away.

STANDARD & OPTIONAL FEATURES

STANDARD FEATURES

CHASSIS FEATURES

- Spartan® K2 Chassis with IFS

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

*Specifications supplied by the chassis manufacturer.

SPARTAN® K2 CHASSIS

CONSTRUCTION

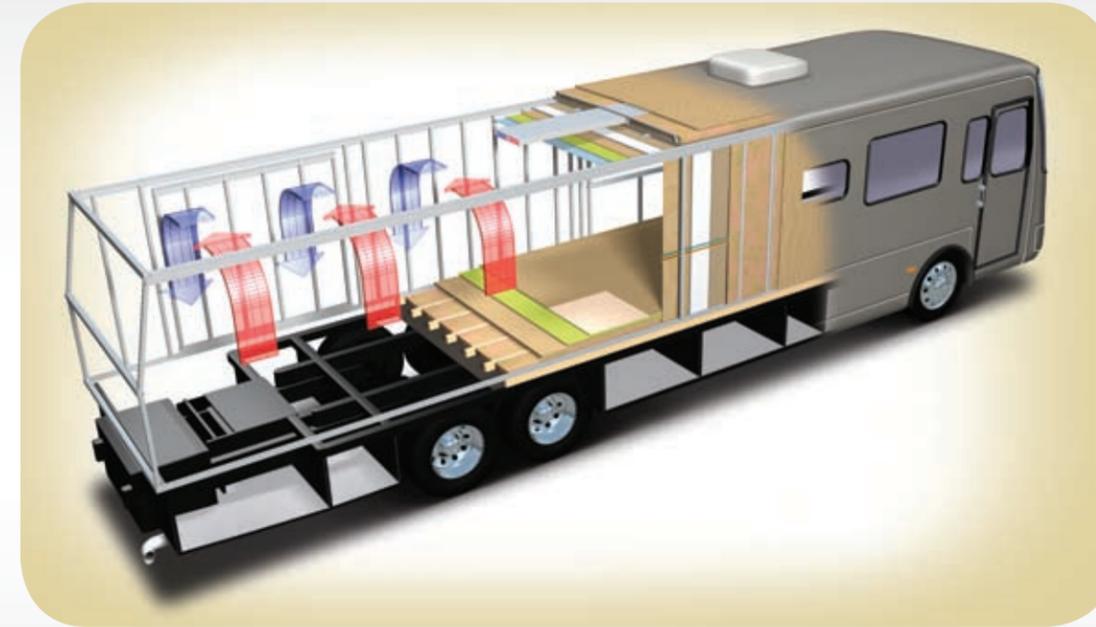

SPARTAN

The K2 chassis has set the standard in the marketplace for its strength and power. It is equipped with a powerful Cummins® 500 horsepower ISM engine, plus a brawny 16,600 lb. IFS (Independent Front Suspension). The K2 chassis allows you to pass other drivers on a steep incline with

ease. And the K2 will allow you to maneuver the motor coach like a pro. Handle tight turns with perfect precision. Nothing can get in your way when you are equipped with a Spartan K2 under your coach. For peace of mind, there is a roadside assistance program for its entire warranty period.

Essex is a showcase for Newmar's exacting standards, meticulous detailing and legendary craftsmanship. The sturdy coach boasts a one-piece molded fiberglass roof and 16" on-center framing like that of a fine, site-built home.

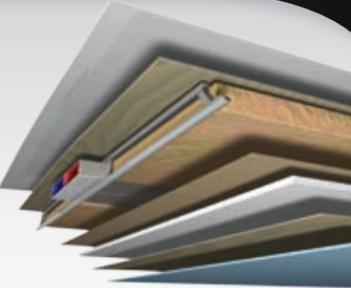

NEWMAR CENTRAL AIR CONDITIONING
Newmar's exceptional Total Comfort central air conditioning is standard on every Essex. The system consists of two separate fully ducted systems—one to distribute incoming cool air, the other to quickly and effectively remove warm air from your living area.

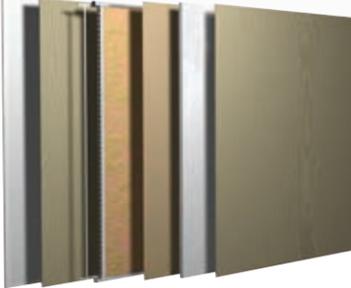

NEWMAR EXPRESS LIMITED WARRANTY™
Every Essex Diesel Pusher is backed by Newmar's two-year limited warranty/unlimited miles. Ask your Newmar dealer for details.
