[Newmar Kountry Klub]

Don't forget to check out the Klub—the Newmar Kountry Klub, that is. All you need for eligibility is to be a proud owner of any of the fine Newmar recreational vehicles.

We invite you to visit our state-of-the-art production facility in Nappanee, Indiana. Plant tours are offered at 10:00 a.m. and 1:00 p.m. Monday— Friday.

Compliments of:

[D] A full coverage of fiberglass insulation completes the insulating process creating a composite R value as high as R22.

[E] High quality craftsmanship and attention to detail are a way of life in the our custom wood shop.

[F] Truss-style rafters are built 16" on center and central air conditioning duct work is incorporated into the design.

[G] Newmar's slideout technology is so revolutionary, there's a patent granted for the Newmar process. Having perfected this technology, the slideout floor will recess flat and flush into place with the existing floor.

[A] The slideout in the Dutch Star® Diesel Pusher features our patented mechanism that delivers the unit to

- Dutch Star Diesel Pusher.
- [C] Beautiful cabinetry and night stands are positioned conveniently on each side of the queen size walkaround bed.
- [D] A well planned dash area is home to larger, restyled driver and passenger seats.
- [E] The Dutch Star Diesel Pusher has a spacious kitchen with your choice of three popular woodgrains: light honey oak, frosted maple or cherry.

Discover its full extension and produces a flat-flush floor. 1998 Dutch Star Diesel Pusher Motorhomes 1998 Leather sofa

Discover Datch Star Class A Motorhomes [B] Solid surface con incorporated in the king [C] The re-styled can Star Class A was de maximum visibility.

[A] The standard patented flat-floor slideout is home to a beautiful dinette with new stylized chairs. The day/night pleated shades are also standard

- [B] Solid surface counter tops are incorporated in the kitchen.
- [C] The re-styled cab in the Dutch Star Class A was designed to offer
- [D] New, decorative wall lights add a special touch to the Dutch Star's master bedroom.

What began as a vision in 1967 has matured into a way of life at Newmar.

Our original objective was to provide a recreational vehicle living experience that was truly unmatched.

Today, our designers, engineers
and members of our production
staff clearly understand that Newmar owners
are very discriminating buyers. In a few
words, they expect more!

We "compromise nothing" to present our

Dutch Star® Class A motorhomes. Our

1998 line-up boasts four new interiors and
two exciting exterior graphic packages.

While you're sure to agree that these exciting
models are beautiful, you will also be
glad to know that they're built
to Newmar's tradition of
excellence, providing years

of trouble-free performance.
