Kountry Star Class A and Diesel Pusher **CONTACT**

Reaching out to touch someone. For owners of the Kountry Star, it means reaching with hands instead of a telephone. It's the opportunity to visit face to face and know what someone is thinking without having to say a word. We value your spirit of adventure, going the distance to the places and people you cherish. Newmar created the Kountry Star for just this purpose. But far beyond that, we created the Kountry Star to cover every mile in luxurious comfort and classic style — to make contact, and at the same time, be richly rewarded in the journey.

Like what you see? Maybe you want to learn more about who we are — to discover more about what we mean by "Newmar Quality: A Way Of Life." At *newmarcorp.com*, you'll find the latest updates on individual model specifications, floorplans, special packages and more. You'll also find a wealth of resources to become more familiar with our heritage, our history and our innovations.

PRIDE AND TRADITION

Maybe it's in the way Newmar employees take pride in their work and assume personal responsibility for each task they perform. Maybe it's because these talented individuals build each Newmar, from the American Star Travel Trailer up to the London Aire Coach, on the same assembly line. Maybe it's because Newmar's leadership believes real quality is not found on a chart but in a way of life.

There are several things that make a Newmar special. Just like individuals, the qualities we value most are the inner ones. We build our products to reflect this way of thinking. We believe outer beauty is only worthwhile if it reflects inner quality. We back this quality with a three-year / 36,000-mile, bumper-to-bumper limited warranty, the Newmar Freedom Warranty. It's a commitment not only to our products, but also to our Newmar owners. And as with many other industry-changing innovations, Newmar was the first to offer this level of coverage, leaving the rest to follow suit. It's all about freedom — comprehensive coverage and the peace of mind that goes along with it. This is the essence of Newmar.

KONNECT

With so many impassioned Newmar owners out there, sharing the Newmar experience is only natural. We created the Kountry Klub to:

- Create an environment for friendship, fun, adventure and recreation
- Provide a forum and activities for all Newmar product owners to socialize as a group
- Streamline relations and communication between Newmar and Newmar owners

There are many benefits for our members to enjoy including the Klub magazine, rallies, caravans and special RV show events. Call 877-639-5582, or go to the Klub section of newmarcorp.com for details on our events calendar, Klub merchandise, Klub news and more!

EXPERIENCE THE NEWMAR FACTORY TOUR

If experience is a good teacher, let the Newmar Factory Tour experience teach you much. Feel the smooth contours of hand-finished countertops before they are set. Smell freshly sanded woods as cabinets are assembled. Take in the energy of motivated employees as they build each individual Newmar, on the same assembly line, with equal care and attention to detail. Consider yourself invited. Newmar Freedom Warranty™

The Newmar Freedom Warranty simply and clearly details the most impressive coverage in the industry. Three years or 36,000 miles, whichever comes first. Bumper to bumper. It's a symbol of our uncompromising pursuit of quality.

Newmar takes great pride in ensuring our owners have made the right choice. It's yet another way of reinforcing Newmar's commitment to the customer, and a challenge to the rest of the industry to raise its standards for the benefit of all RV owners.

Newmar has made this kind of protection possible, not only by building quality products, but also by demanding the same level of quality from our component manufacturers. When Newmar required them to match this 36-month pledge, everyone stepped up as expected. Now, Newmar is pleased to include these companies in our warranty - making the Newmar warranty truly complete.

The Newmar Freedom Warranty covers all components, except tires, battery and chassis (which is warranted for at least 36 months by its manufacturer).
