04 LAPALMA

EXPECT THE REMARKABLE.

THIS YEAR, THE ACCENT'S ON VERSATILITY.

Set foot in the 2004 LaPalma, and you've entered the best of both worlds — a gas powered coach with the quality and comfort you'd expect from a Monaco. This year, the LaPalma includes more distinctive decorative touches than ever before. Crown molding offers elegance and sophistication, as does stylish wallboard and the new hardwood slide-out fascia design with metal insert accents. The beautiful cabinetry features raised panel hardwood doors, hardwood end panels, and new satin nickel hardware.

① The handsome fiberglass **DASH** features such conveniences as an in-dash compass with outside temperature readings. You'll enjoy the superior sound quality of the CD player with four speakers, and you have the choice of numerous optional features, including a rear vision system, power sunvisors and pull-down sun shades.

② This remarkable **GALLEY** welcomes you with a stylish Corian® countertop and high-quality appliances. The large double-door refrigerator is as beautiful as it is functional, with metal accent insert panels that coordinate perfectly with the contemporary stainless steel microwave.

③ *The LaPalma **LIVING AREA**, 34SBD, in Blue Willow with Vintage Oak woodwork.*

VIBRANT AND LIVELY, A REFLECTION OF YOU.

A cozy booth dinette (shown on page 3) is standard on most models, while a freestanding dinette with chairs and a wall cabinet makes an attractive option. You'll find exciting features such as triple slide-outs, the popular bath-and-a-half 36DBD, and the new private bedroom 37PCD and 37PCT. And you'll have dozens of ways to customize your coach to fit your needs.

① *The LaPalma **LIVING AREA/KITCHEN**, 37PCT, in Romanesque with Regal Cherry woodwork.*

② Our new 37PCT floorplan features a private **BEDROOM** behind beautiful French doors. Simply close the doors behind you, and you enter a roomy and peaceful haven with such features as a fabric swivel barrel chair and a versatile desk with chairs.

③ Our optional **HIDE-A-BED** is a stylish way to expand your sleeping quarters for your kids or guests. Here, you can also see the luxurious cockpit area with soft touch vinyl pilot and co-pilot recliner seats, and centered overhead is the 27" stereo color TV, standard on most models.

OUR RECIPE FOR COMFORT AND SAFETY.

It takes dozens of meticulous details to create a coach that's worthy of the name Monaco. And each of them is held up to the highest standards while being constantly re-evaluated — both for quality and for innovation. For us, that means setting the bar higher and higher with every year. And for you, it means your Monaco coach will always be a step ahead of the rest. If you'd like to learn more, a dealer near you will be happy to show you firsthand the details that add up to the Monaco difference. Or, visit our website at www.monacocoach.com

ALUMAFRAME® CONSTRUCTION:

The LaPalma's sidewall construction features Monaco's exclusive Alumaframe® Superstructure with a limited 5-year warranty. Our revolutionary system of aluminum C-Channel and I-beam crossmembers runs the entire length of the coach, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.
