CLASS A GAS

IT'S BEEN ON YOUR WISH
LIST FOR YEARS. ISN'T IT TIME?

2008 PACE ARROW

 FLEETWOOD

IN A PACE ARROW, YOUR REPUTATION PRECEDES YOU.

Everyone knows Pace Arrow as one of the most luxurious Class A motor homes on the market – and many aspire to own it. That’s because inside and out, from the glossy exterior to its stainless steel appliances, Pace Arrow is drop-dead gorgeous. There’s no need to invest in upgrades, because this coach has it all, from rich Fabrica™ carpeting to supple Ultraleather™ upholstery to sophisticated electronics. It’s why Pace Arrow sets the bar above the rest.

Quality

There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

PACE ARROW

PACE ARROW 38P shown in After Midnight décor with Plantation Cherry wood cabinetry.

Why Buy Pace Arrow?

THE ENTERTAINMENT SYSTEM puts a big screen and high-quality sound right up front. Enjoy a 26" Samsung® LCD HDTV with a DVD player and home theater sound system, masterfully framed in wood cabinetry.

THE WRAP-AROUND DINETTE (optional) provides a comfortable, restaurant-like setting to enjoy your favorite meals. What's more, the table easily lowers to double as a coffee table. How's that for multi-functionality?

Class A All The Way

Pace Arrow sits at the very pinnacle of gas motor homes, with a widespread reputation as one of the most luxurious Class A coaches on the road.

Exceeds Expectations

Discriminating buyers love Pace Arrow, because the finest features and highest quality materials come standard.

Just Like Home

With the appointments of a custom home, Pace Arrow feels comfortably familiar. Except this home can go wherever the wind blows.

Engineered for Comfort

Dozens of features within Pace Arrow are designed to make life easier, more comfortable, and more convenient.

State-of-the-Art Entertainment

Pace Arrow includes an extraordinary entertainment package to bring you crystal-clear, hi-def TV throughout the coach...and even outside.

NOT JUST FOR SHOW. FOR GO.

Pace Arrow is a definite showpiece, an impressive setting to entertain friends and family. That makes it easy to forget that this coach is built for the road. Whether you want to visit the Rocky Mountains or tour Napa Valley vineyards, Pace Arrow can take you there. When you're done exploring the great outdoors, you'll appreciate Pace Arrow's wide - open space inside, thanks to floor plans with double, triple and full-wall slide-outs.

Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

PACE ARROW

OVERHEAD CABINETRY features alder-stained, raised-panel doors with an arched design and European-style hidden hinges. Inside, it's deep enough to store full-size plates, and the shelves are adjustable and lined to protect your dishes in transit.

THE DINETTE hosts a romantic dinner for two underneath a big picture window - perfect for a sunset view. Or have friends join you for cards, playing on the polished wood tabletop.

THE REFRIGERATOR from Dometic® boasts an icemaker and 12 cubic feet of room for your favorite foods. The four-door style ensures room for trays of hors d'oeuvres. Nearby, the pantry holds your cereal, snacks and ingredients in convenient pull-out baskets for easy loading.

THE GALLEY was designed to please both the interior designer and the chef in you. With rich hardwood cabinetry, brushed nickel hardware and arched glass inserts, it's dressed to impress. While it's fully equipped with a convection microwave, refrigerator, range, oven, and even a coffee maker so you can brew your gourmet blend on the road.

FULLY EXTENDING DRAWERS roll all the way out, so you can store things in the very back. The deep size accommodates your pots and pans, too.

THE MOEN® FAUCET is graceful and practical, with a single-lever control, pull-out sprayer and soap dispenser.

SINK COVERS are made of deluxe solid surface material and dramatically increase your countertop space.

RETREAT TO YOUR PRIVATE OASIS.

Pace Arrow's bedroom suite provides an oasis of comfort, privacy and indulgence after an active day. With its spacious layout and LCD HDTV, it's the perfect place for relaxing. Under a luxurious bedspread, acres of cushy mattress beckon (with a ton of carpeted storage space hidden underneath). Designer lighting is perfect for enjoying a book, with a cup of hot cocoa on your nightstand. With a bedroom like this, you'll enjoy sweet dreams before you even fall asleep.

Passion

We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

PACE ARROW

THE MIRRORED WARDROBE lets your clothing travel first class, with roomy racks, drawers, and cedar lining to deter moths. The mirror on the front adds sparkle to the room and a head-to-toe reflection of you.

THE BATHROOM with its richly appointed curved shower has the look and feel of a fine hotel. A Moen® designer-line faucet splashes into the highly polished stainless steel sink, surrounded by a solid surface countertop. There's plenty of storage in the fine wood cabinetry, and elegant lighting ensures that you look your best.

THE BEDROOM SUITE offers your private slice of heaven at the end of the day. Sink into the Restonic® deluxe queen-size pillow top mattress and you'll see why it's one of the most comfortable mattresses made. (King bed option available on select models.)

36D shown in Aged Bronze décor with Plantation Cherry wood cabinetry.

THE BEDROOM ENTERTAINMENT CENTER places a large 19" Samsung® LCD HDTV in the perfect viewing position to enjoy from your cozy bed.

THE WASHER/DRYER (optional) is a must for long journeys on the road. Spin a load while you watch your favorite movie, and close the cabinet doors to hide it away.

NO MATTER WHAT COLOR, IT WOULD LOOK GREAT IN YOUR DRIVEWAY.

Your Pace Arrow looks handsome whether parked in front of your house or traveling down the highway. That's because we carefully apply DuPont® paint in a two-stage process to give the finish that mirror-like shine and incredible durability. Take your pick from five colors.

FULLY EQUIPPED WITH AN ARRAY OF OUTSTANDING FEATURES.

Now that you've seen the inside of Pace Arrow, you probably guessed that the outside boasts fabulous features too. And you'd be right. Here are just a few...you'll have to discover the rest for yourself.

INTERLOCKING CEILING-TO-SIDEWALL CONSTRUCTION helps keep the box square. This assures a proper cabinet fit.

INTERLOCKING FLOOR-TO-SIDEWALL CONSTRUCTION locks tightly to keep out water, dust and noise, and helps eliminate squeaks and rattles.

VACU-BOND® SIDEWALL CONSTRUCTION creates a strong, weather-resistant structure. All sidewalls, floors and ceilings are Vacu-bonded to a durable metal frame, far superior to the pinch roll method our competitors often use.

- 1 **ELECTRIC WINDOW AWNINGS** provide shade, keep the inside cool, and retract at the touch of a button.
- 2 **22½" WHEELS** of polished aluminum make for a smooth ride and exterior dazzle.
- 3 **DIAMOND SHIELD** (optional) is a transparent, 8 mil. urethane film designed to protect your paint finish on the lower front cap.
- 4 **PANORAMIC WINDSHIELD** gives you an unobstructed view of the road and scenery.

- 1 **TUFF-PLY ROOF** is UV resistant and insulated to keep you warm in winter, cool in summer.
- 2 **DUAL AIR CONDITIONERS** keeps your coach cool, and special "chill grills" shower you with refreshing cold air.
- 3 **REAR VISION CAMERA** transmits a live video feed to a color monitor at the driver's cockpit to help you back up safely.
- 4 **4-POINT LEVELING JACKS** automatically level your coach at the touch of a button.

Vehicle shown in Shalestone exterior graphics.

THE POWER PLATFORM® PLUS. BUILT FOR STRENGTH, STABILITY AND PASS-THROUGH STORAGE.

Fleetwood's patented Power Platform® Plus is the envy of our competitors. The ultra-strong chassis provides enormous storage space, lined with molded plastic for easy cleaning and lit to help you see after dark. The holding tanks are positioned in the bottom to enhance balance, and enclosed so they can be heated in cold weather to help prevent freezing.

- ① EZ Store
- ② Pass-Through Storage Compartment
- ③ Large Towing Capacity†
- ④ Storage Maximizer

Drawings are for illustrative purposes only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

ENHANCED SAFETY. THE ULTIMATE LUXURY.

To keep you safe, Fleetwood goes above and beyond by integrating dozens of safety features into the Pace Arrow. From four-wheel ABS brakes to multiple safety-belted seating locations to a rear-vision camera to help you back up safely, we've got you covered. You can depend on us for superior construction and safety that goes the distance...no matter how far your journey.

Safety

You've got precious cargo. So we've engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

THE DRIVER'S COCKPIT is ergonomically designed with a tilt steering wheel. The driver and passenger chairs are covered in soft Ultraleather™, and the driver's door provides easy access. The optional power sun visors shade your eyes at the touch of a button.

PASS-THROUGH STORAGE (most models) holds large items such as chairs, sports gear and more — and you can access it from either side of the coach.

EXTERIOR ENTERTAINMENT CENTER lets you enjoy fresh air and your favorite shows. New for 2008, this option includes a Samsung® 19" LCD HDTV and AM/FM radio with CD player.

THE EZ STORE COMPARTMENT is the perfect place for very long items such as golf equipment. It moves with the slide-out so you don't have to stoop underneath.

CLASS A GAS

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity*.
- GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- Base Weight is the estimated weight of the motor home without fuel, options, water, cargo or passengers.
- GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
- Length measured from front bumper to rear bumper (excludes accessories).
- Excludes safety equipment and awnings.
- Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
- Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

- † The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependant on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = Not available at time of printing.

*UVW and CCC are found on the cargo carrying capacity label in each RV.
